# A POSITIVE NOTE . . .

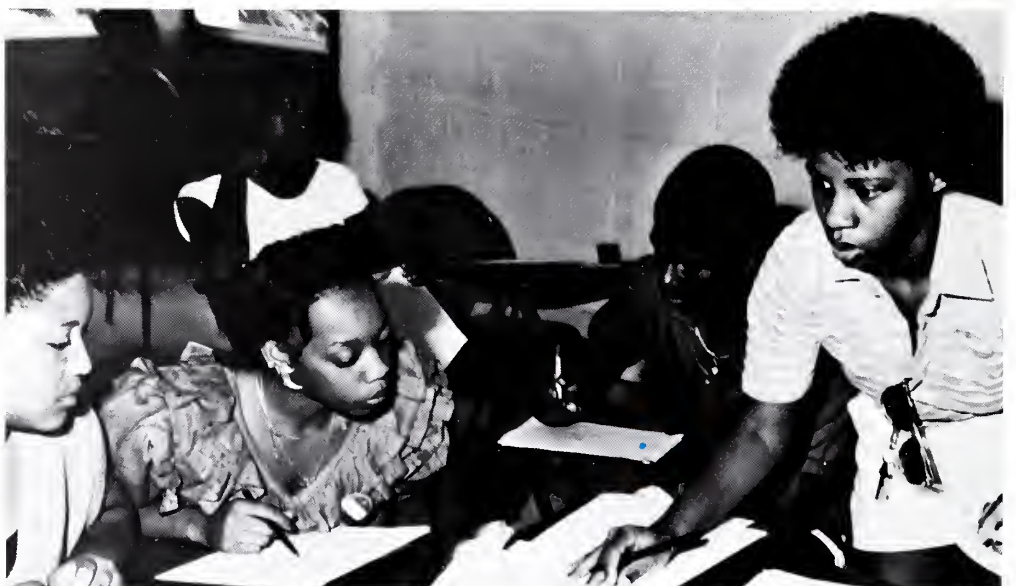

The school year got off to a great start. With the hustle and bustle of orientation, workshops, long registration lines, and course scheduling, came the commitment to make 1986-87 the best year ever.

The Freshmen Talent Show was good. The members of the 1990 graduating class put on display a variety of talent, showing drama and other talent areas that were lost to May graduation.

Highlight of the affair was the crowning of Rose Marie Moore (photo right) by President Richardson. Rose Marie was voted "Miss Freshman" by her peers.

Orientation sessions gave "crash" courses on college life. Below left, Pat Washington and Bruce Chavis focus attention on an orientation presentation.

Everybody tried to get registration paperwork together. Below right, Palmer Johnson tries to get registered while other students look on.

The Student/Faculty Leadership Retreat brought college administrators, faculty and students together to plan for the new year. Appropriately, the Retreat theme was "Planning for Effective Student Leadership."

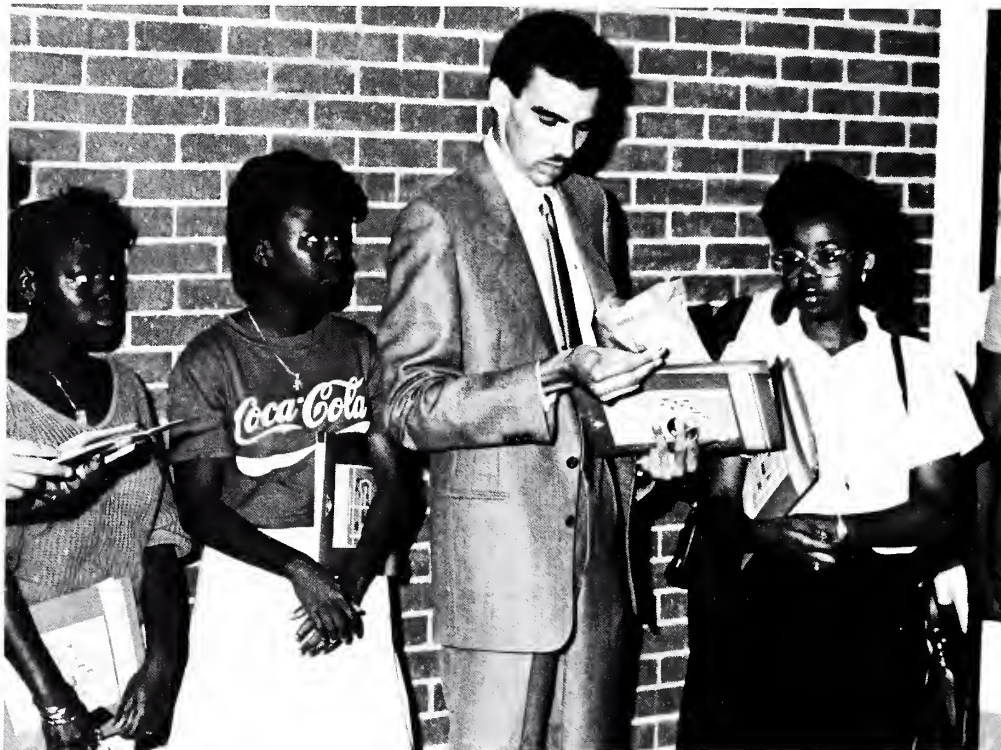

The Faculty/Staff Institute was highlighted by a presentation on "Effective College Teaching" by Dr. Jean Hendricks, professor of Psychology at Mercer University. Pictured left are Dr. Hendricks, Dean Vereen-Gordon, Dr. Edsel T. Godbey and President Richardson.

Everybody gets involved in the registration process. Academic advisement is the most important step. Below left, Calvin Turner gets good guidance from Dr. May Relihan, while below right, Captain John Defede counsels Alisa Grate.

# A DAY FOR REG- ISTRA- TION . . .

REGISTRATION—a new experience for most first-time college students. Three freshmen (Scotty Greene, and Madison Hudley), pictured right, find out just what kind of an experience it can be. The guys are still smiling though, because they know that adequate help is available from faculty advisors and student assistants.

At right, a BIG PICTURE of registration, sign in, sign up, and sign out. Teresa Montgomery (leaning at the table) does just that.

Above (top left), our very own Miss Morris College, Inez Stewart, along with other student assistants, help out in the computer room. Top right, Wayne Franks is almost finished, while above, Shainaria Gray takes a breather.

## MEDICAL SCHOOL OFFICIALS PARTICIPATE

### *Biology Club Has Assembly Program*

Several officials from the medical profession visited the campus on various occasions during the year. Dr. Welton O'Neal, Jr., professor of Clinical Pharmacy and Pediatrics at the Medical University, Charleston, S.C., spoke on "Crack and Substance Drug Abuse" during the Biology Club assembly. Dr. O'Neal is pictured below with members of the Biology Club.

Dr. Mariano F. LaVia, professor of Laboratory Medicine and director of the division of Diagnostic Immunology at the Medical University spoke during Science-In-Action Week on the subject "Aids: Etiology, Transmission, Consequences and Prevention". Dr. LaVia is pictured right.

## ASSEMBLIES PROVIDE ENRICHING EXPERIENCES

The assembly program experience is a varied one which provides students with the opportunity to participate, to get up in front of an audience for perhaps the first time in their lives. It provides a chance to be recognized by peers for achievement, an opportunity to hear exciting guest speakers, to engage in academic dialogue, and sometimes, to just have some fun. The results are always enriching experiences.

## *Class Night . . .*

Class Night was the beginning of final good-byes for the Class of 1987. Ricky Monroe, Class President, reflected upon the year, and he challenged the rising seniors to do better next year. In an always moving ceremony, he passed the candle and the scroll from this class to the next.

An important climax to the evening was the President's Reception and Dinner for Graduating Seniors, held in Daniels Dining Hall. Sponsored by President Richardson, members of the class, faculty, staff, families, and friends were treated to a delicious meal. Gifts were presented to the graduates from the President.

## A WORD TO THE STUDENT BODY

### *from the Editors*

*Claudine Lance*  
*Editor*

You will probably get this copy of the 1986-87 Hornet much later than usual. If so, we greatly apologize to you, but we would like to say the oft-quoted phrase "IT IS NOT OUR FAULT".

As a matter of fact, we want to thank the Morris College Family, especially to our beloved President, Dr. Luns C. Richardson, and our faithful advisor, Mr. Weeks, for sticking with us throughout a crisis situation. We would not have made it without them.

The problem we had was with photography. For some unknown reason, we had more problems than usual getting the photos back on time so that we could make our deadlines. This threw everything way off, with the immediate consequence being a late delivery on this book.

Anyway, we finally made it. This is it. We certainly hope that you like the final product.

Until next year, thanks again to President Richardson, Mr. Weeks, Steve Karelitz, our yearbook representative, and the Herff Jones Yearbook Company for your assistance in making this edition possible.

Sincerely,

Claudine Lance and Patricia Bligen
